

To the Class of 2020,

“Congratulations on your graduation and best wishes for your next adventure!”

I hope that you will always remember why you chose Daniel Morgan Graduate School and the sacrifices that you endured to make it this day happen. Remember to give special thanks to Ms. Spencer-Moffat, the faculty, your parents, spouses, children, and friends for their support, patience, understanding, and sacrifices - both moral and financial - during these challenging, but rewarding years. Even though their guidance, comfort, and encouragement will continue and be appreciated in the years to come, you can delight in knowing that this difficult period has ended. Be proud of what you have accomplished and contemplate the abundant opportunities ahead.

I ask that you not forget DMGS and your time here. May you fulfill your career goals and always achieve success and happiness in the years to come.

With my personal best wishes,

Dr. Dinello

Associate Dean
