

Students, it has been the highlight of my career working with you through the Student Services Office. I have watched many of you tackle full-time jobs, internships, and a rigorous course load all-while serving the DMGS community. You have shown a commitment to excellence and should be extremely proud of this accomplishment. The opportunities that lie before you are limitless, and I am sure you will continue to make us proud in the years to come. As the mission of DMGS stands, it is my hope that you feel equipped for the future leadership roles ahead.

I look forward to witnessing the global footprint you will leave on the world.
